CAUTION: EXTERNAL EMAIL

Cathy,

I would be happy to provide you with an example CA/FO this week. A Respondent does sign. I also want to acknowledge receipt of your other two emails yesterday. I am up against a couple of deadlines in other matters but I will reply to all three emails more substantively later in the week.

Subject: Sample CA/FO

Rachel,

Last week you explained that the Agency requires a CA/FO and you could send us an example. Sometime this week, would you be able to provide us with a copy of one so we could see what would be required of the City? Does a Respondent sign?

Thank you.

Cathy
